## CHRISTMAS MESSAGE 2020.

“The Word became flesh and lived among us” (John 1:14).

Dear Brothers and Sisters.

As we prepare to celebrate Christmas, we realize that this year’s Christmas comes with the challenges of the global pandemic. We are filled with uncertainties and anxieties about our health, our social life, Our families, financial stability, education and our spiritual life.

In the midst of the Covid-19 crisis, all hope is not lost because God is with us. “The Word became flesh and lived among us” (John 1:14). In the past ten months of this year, our world has been different. Our memories have grown, our hopes have been tested, our faith and love have been called on, in new ways. But no matter what changes we have undergone, what losses we have mourned, the Christmas story gives us hope of new birth and the possibility of our own rebirth. The Nativity of our Lord Jesus Christ brings us hope, joy and love. It tells us that things can be different, it gives substance to our new hope that new life is possible because there is no situation beyond God’s intervention.

May God the source of hope, fill you with all joy and peace in your faith, so that your hope may increase greatly by the power of the Holy Spirit. (Romans 15:13).

To all a Merry Christmas and a Happy New year.

Sincerely in Christ

Fr. Charles Offor.
